~August 2013 Edition~

The LHPOA and Firewise held an Independence Day Celebration on Saturday, July 6, 2013. Mr. Leslie "Opie" Blackwell, from the Mississippi Department of Forestry Commission, gave a very informative presentation of the Firewise Program, which was enjoyed by everyone present. Thru Firewise, LHPOA received a grant for \$2500.00 for the purchase of equipment. Everyone present at the meeting enjoyed food, refreshments, and at dark, a beautiful fireworks display. Any one who would like to help with the Firewise program, call the office for more information.

We will now turn to something that everyone should know. Catherine Tucker should receive our thanks for everything she has done for the LHPOA. She worked so hard to get the Clubhouse back to its original glory after Hurricane Katrina. She next took on the repairs of the Convention Center after it was damaged. Everyone wishes to thank you, Catherine, for everything you have done. As a friendly reminder, the beautiful clubhouse is available for rent, at a great rate to us, as property owners! We need to keep this in mind as we plan class/family reunions, wedding/baby showers, birthday parties or any other type of special event. This will be a great way for us to spread the word and the possibility of booking and sharing the love of the clubhouse.

The maintenance crew have been able to catch up with their work thanks to Billy Tucker repairing the equipment. The crew has been doing a fine job.

Our prayers go out to Mr. Mel Hunsinger who recently lost his son. Mel has been very important to the LHPOA as its Secretary. He has been working long hours to get this job done.

If anyone has any news call the office at 601-796-8274 and it will be in the next months Hillsdale Monthly.
